

ADAPTING CLD PROCESSES TO CONTINUE THROUGH COVID-19

21 April 2020

The Movement for Community-Led
Development

Facilitators

Nelly Mecklenburg, *Institute for State Effectiveness*

Gunjan Veda, *The Movement for Community-Led Development*

Purpose: To collectively consider the barriers to CLD programming during COVID-19 preparation, response and recovery, and to brainstorm solutions.

Covid19 Innovations Database:

BREAKOUT ROOMS

Barriers: Access, Convening, Procurement/Service Delivery, Time/Shifting Priorities

What would communities and staff need to feel safe and do this work

What resources are available (in communities, in your organization)?

What lessons can be learned from past crises/periods of social distancing?

Without considering practicality or constraints, what are some ways that you could adapt?

Time: 30 minutes

Fill out your Excel sheets and RECORD!

NEXT STEPS

- Zambia Taskforce – contact Ann
- Focussed Working Groups
- Visit MCLD.org – join the Movement, submit your responses
- Work collaboratively on the spreadsheets
- Sharing stories of CLD members who have been affected and recognizing their contribution and what they have gone through
- Coordination at national level through MCLD National Chapters
- Cross-Peer learning
